#### **PLEASE TAKE NOTE** **Effective March 1, 2010**

On the following pages (6 through 9) the statistics now reflect the new "Zones" (Montgomery County)

Zone 1—Grogan's Mill  
Zone 2—Panther Creek  
Zone 3—Indian Springs  
Zone 4—Sterling Ridge  
Zone 5—Alden Bridge  
Zone 6—Cochran's Crossing  
Zone 7—College Park  
Zone 8—Town Center

With new "Zone" changes occurring we can no longer accurately compare zone-to-zone statistically, as zone boundaries have changed.

However, "Year-to-Date" for "all Zones" is an accurate comparison for all of The Woodlands (Montgomery County).

For up-to-date information from the Montgomery County Sheriff's Office, please visit their website at <http://www.mocosheriff.com>

You can locate recent Media/Press Releases by clicking on the "Media Releases" box on the upper right hand side of the web page. Additionally, the website covers information regarding Open Records requests.

To comply with MCSO open records and public release policies, guidelines are set and very clear that all MCSO employees must comply "when certain information, if made public, would be injurious to a victim (i.e. sexual assault), a witness, or the successful investigation of a case, that information must be withheld and in some cases the release of certain information is prohibited by State or Federal law".

Often times neighbors or residents call the MCSO requesting information and are not involved in any way with the criminal investigation(s). The fact it is unknown who exactly is requesting and/or inquiring on these criminal cases poses the problem MCSO legally faces. Example...neighbors not directly involved calling MCSO and asking what is the status or details of a criminal case involving their neighbors or friends. No MCSO employee should or would give that information out. However, as a resident you are welcome to go through the proper open records procedures (found on the MCSO website) to obtain whatever information can be released by law.
